Listening Tasks.

* Oceans apart day after (1) day
And I slowly go insane
I hear your (2) voice on the radio
But it doesn't stop the pain.

If I see you next to never,
How can we say (3) forever

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks.
I will be right here waiting for you

I took for granted, all the (4) times
That I thought would last somehow
I (5) hear the laughter, I taste the tears
But I can't get (6) now you now

Oh, can't you see it baby
You've got me going crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks.
I will be right here waiting for you.

I (7) wonder how we can survive

This romance

But in the end if I'm with (8) you

I'll take the chance

Oh, can't you see it baby

You've got me going crazy

Wherever you go

Whatever you do

I will be right here waiting for you

Whatever it takes

Or how my heart breaks

I will be right here waiting for you

Waiting for you.

- describe
• discuss

Unpacking the Essay Question.

(01) Describe.

- * Write about facts / Process / event.
- * Write in a systematic order, emphasise the most important points.
- * Not expected to ~~ext~~ explain or interpret.
e.g. ÷ Describe unforgettable day in your life.

(02) Explain.

- * Will need to analyse, not simply describe or summarise.
- * Need to focus on the "why" and "how" of a particular issue, to clarify reasons, causes and effects.

e.g. ÷ Many parts of the world are losing important natural resources, such as forests, animals, or clean water choose one resource that is disappearing and explain why it needs to be saved.

(03) Argue.

- * Need to systematically support or reject a point of view by presenting evidence.
- * Also need to show that you are aware of the opposing point of view.

e.g. ÷ Some people say that Internet provides people with a lot of valuable information. Others think access to so much information creates problems. Which view do you agree with? Use specific reasons and examples to support your opinion.

(04) Discuss.

- * Present a point of view.
- * Include both description and interpretation.
- * Your opinion should be supported by argument and evidence from other writings.

e.g.: It is better to educate boys and girls in separate ^(different) schools. Discuss.

(05) Critique.

- * Identify and discuss both the positive and negative aspects of the topic.

e.g.: Critically analyse the key concepts of working cross-culturally, specifically in regards to effective communication and the impact on your work practice.

(06) Compare and Contrast.

- * Find the similarities and differences between 2 or more ideas, events or interpretations.

e.g.: Compare and contrast knowledge gained from experience with knowledge gained from books.

Let's make an outline for our writing.

- (i) Central Theme.
- (ii) Associations.
- (iii) Curved Lines.
- (iv) Keywords.
- (v) Proximity.
- (vi) Seven Associations.
- (vii) Colour and Images.

(I) Central Theme. (Topic to write about)

- Placed in the centre of a blank page.
- Title / Subject / Problem / Thought.
- Images.

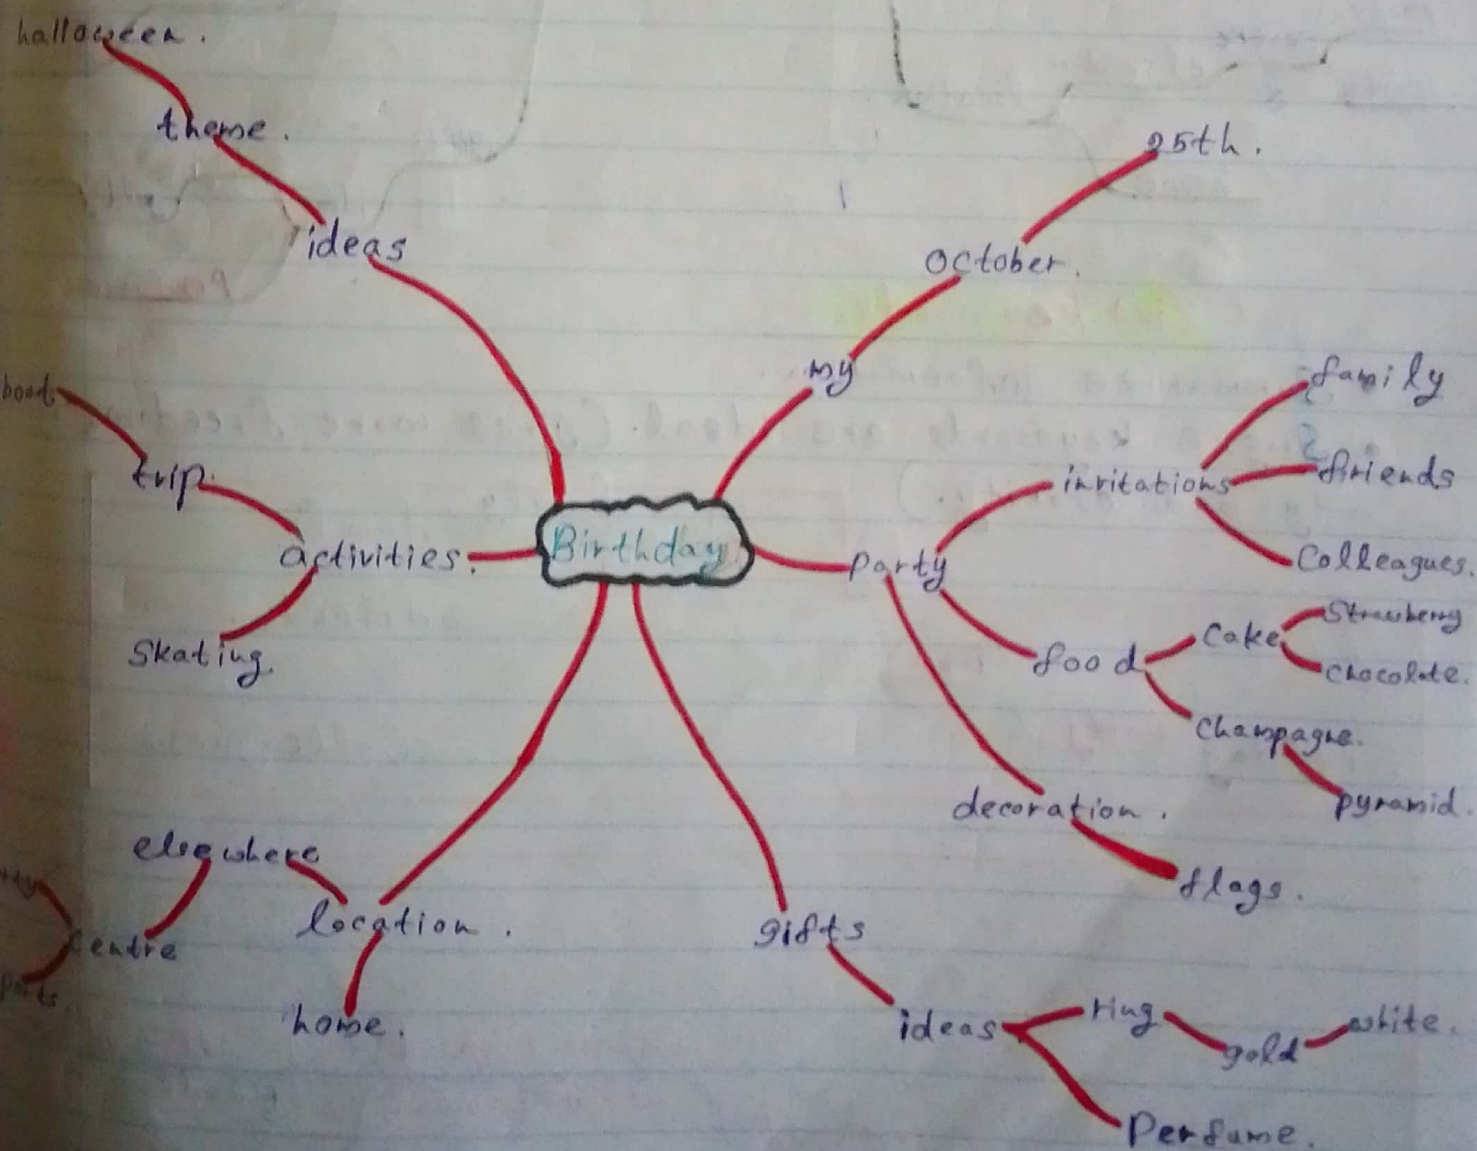

e.g: birthday > colourful bunch of balloons.

(II) Associations. (What comes into your mind when you think of the central theme?)

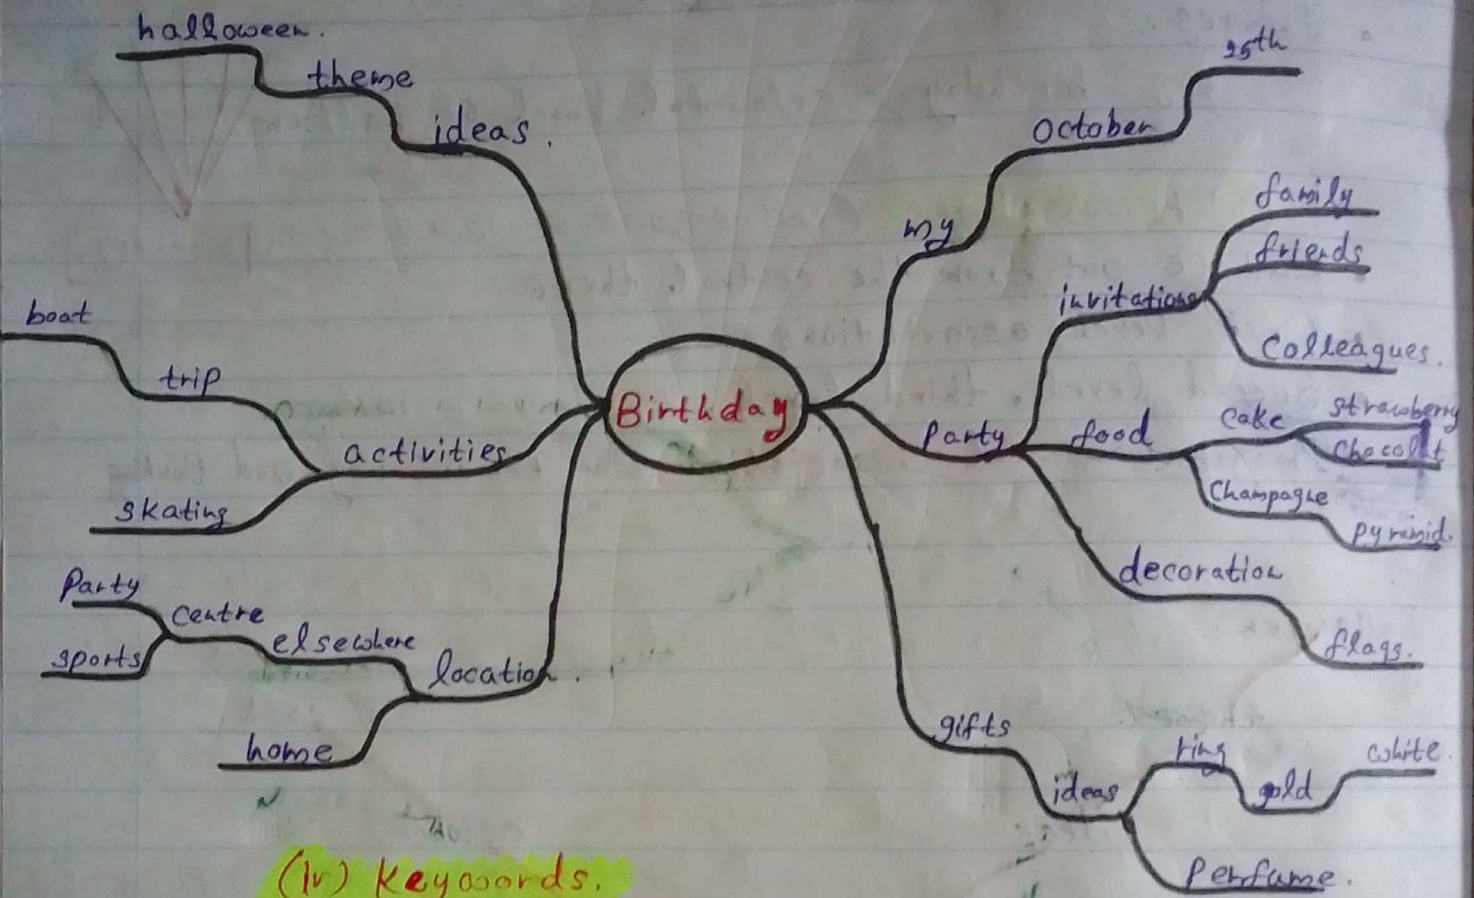

- Radiate out from the central theme.
- First level associations.
- Second level, third level
- Imagination and association for remembering and thinking.

birthday.

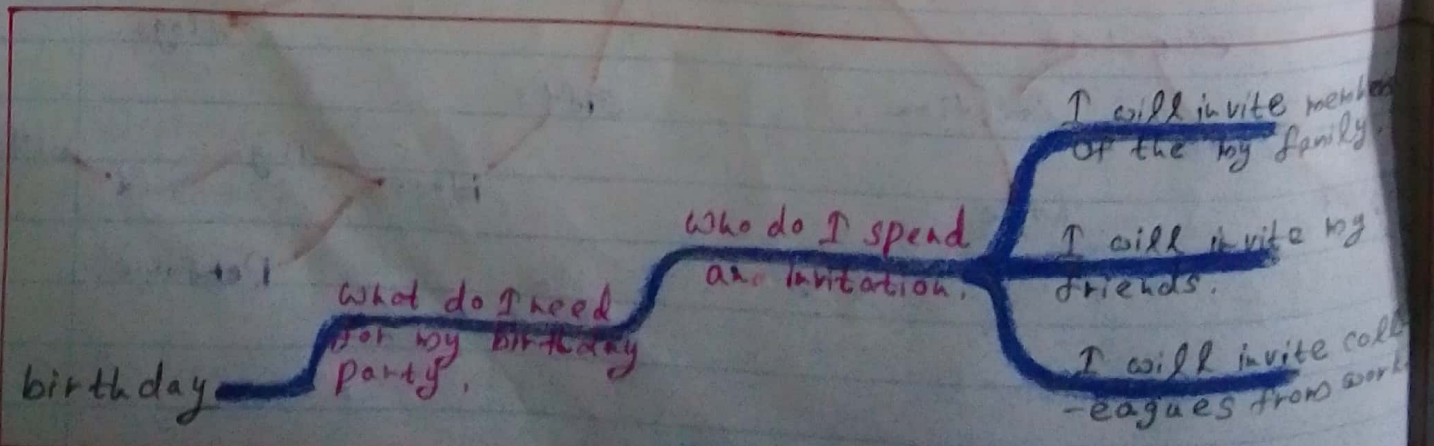

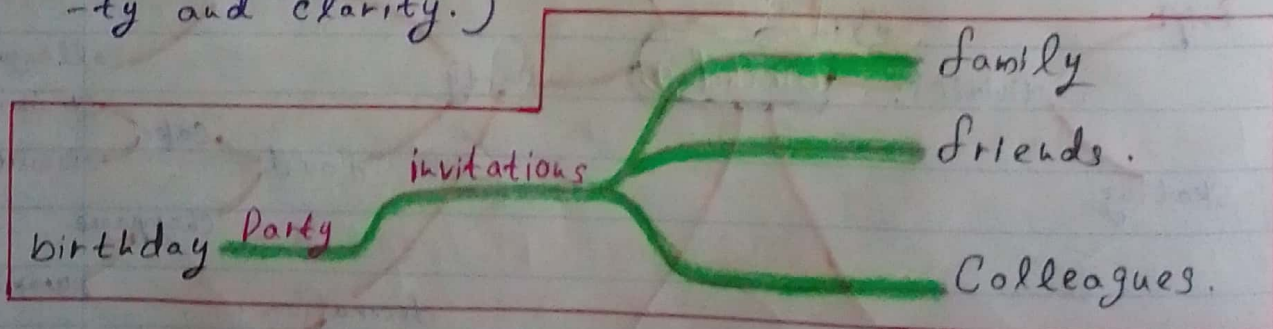

(iii) Curved Lines.

- Brain likes curves.
- Use curved lines to draw associations.

(iv) Keywords.

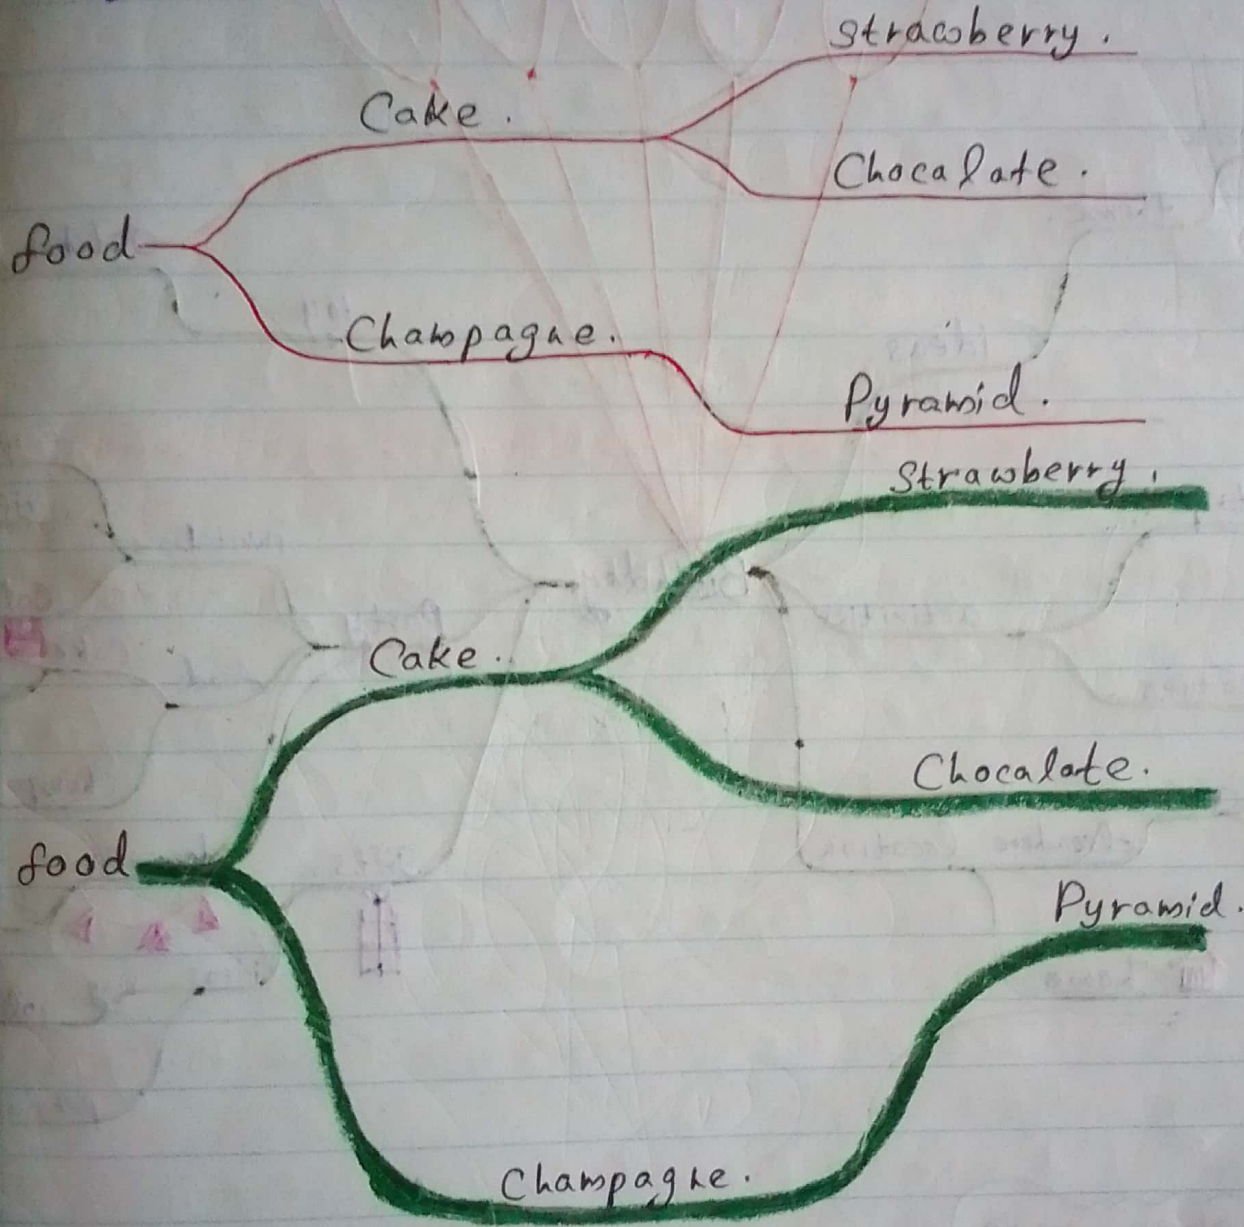

- Summarize information.
- Single keywords are ideal. (gives more freedom, creativity and clarity.)

(v) Proximity.

Concepts should be arranged from near to far in a mind map method. (use may cake)

- Length of a word. = length of a curved line.

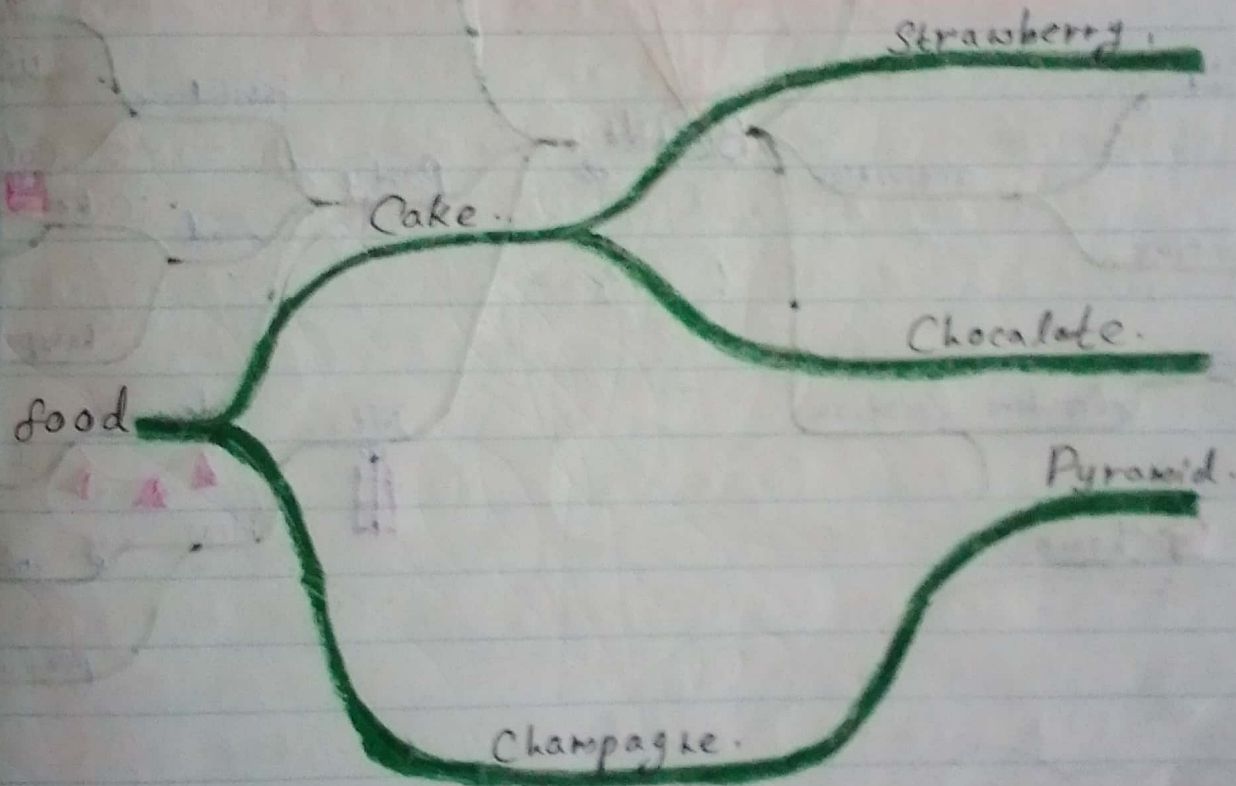

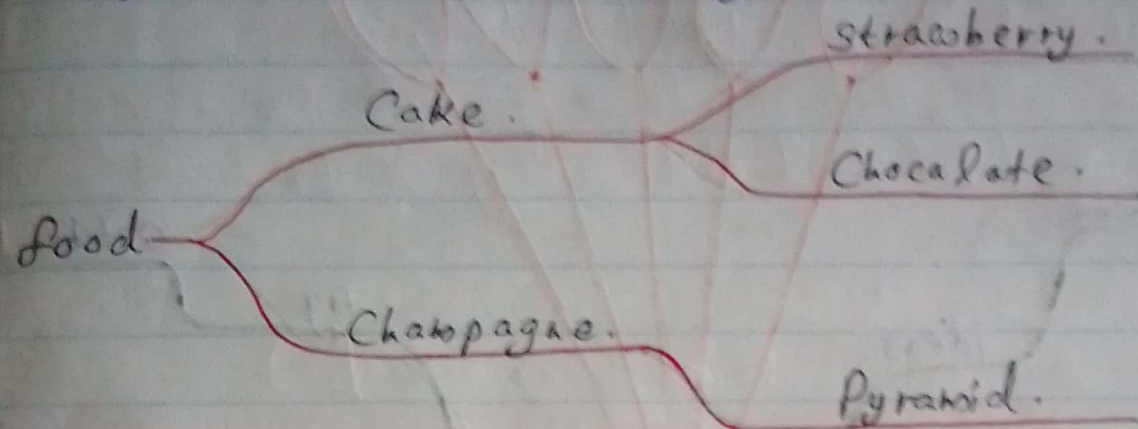

(vi) Seven Associations.

- The mind can only grasp about a maximum of 7 first level associations.

(*) Essay D...

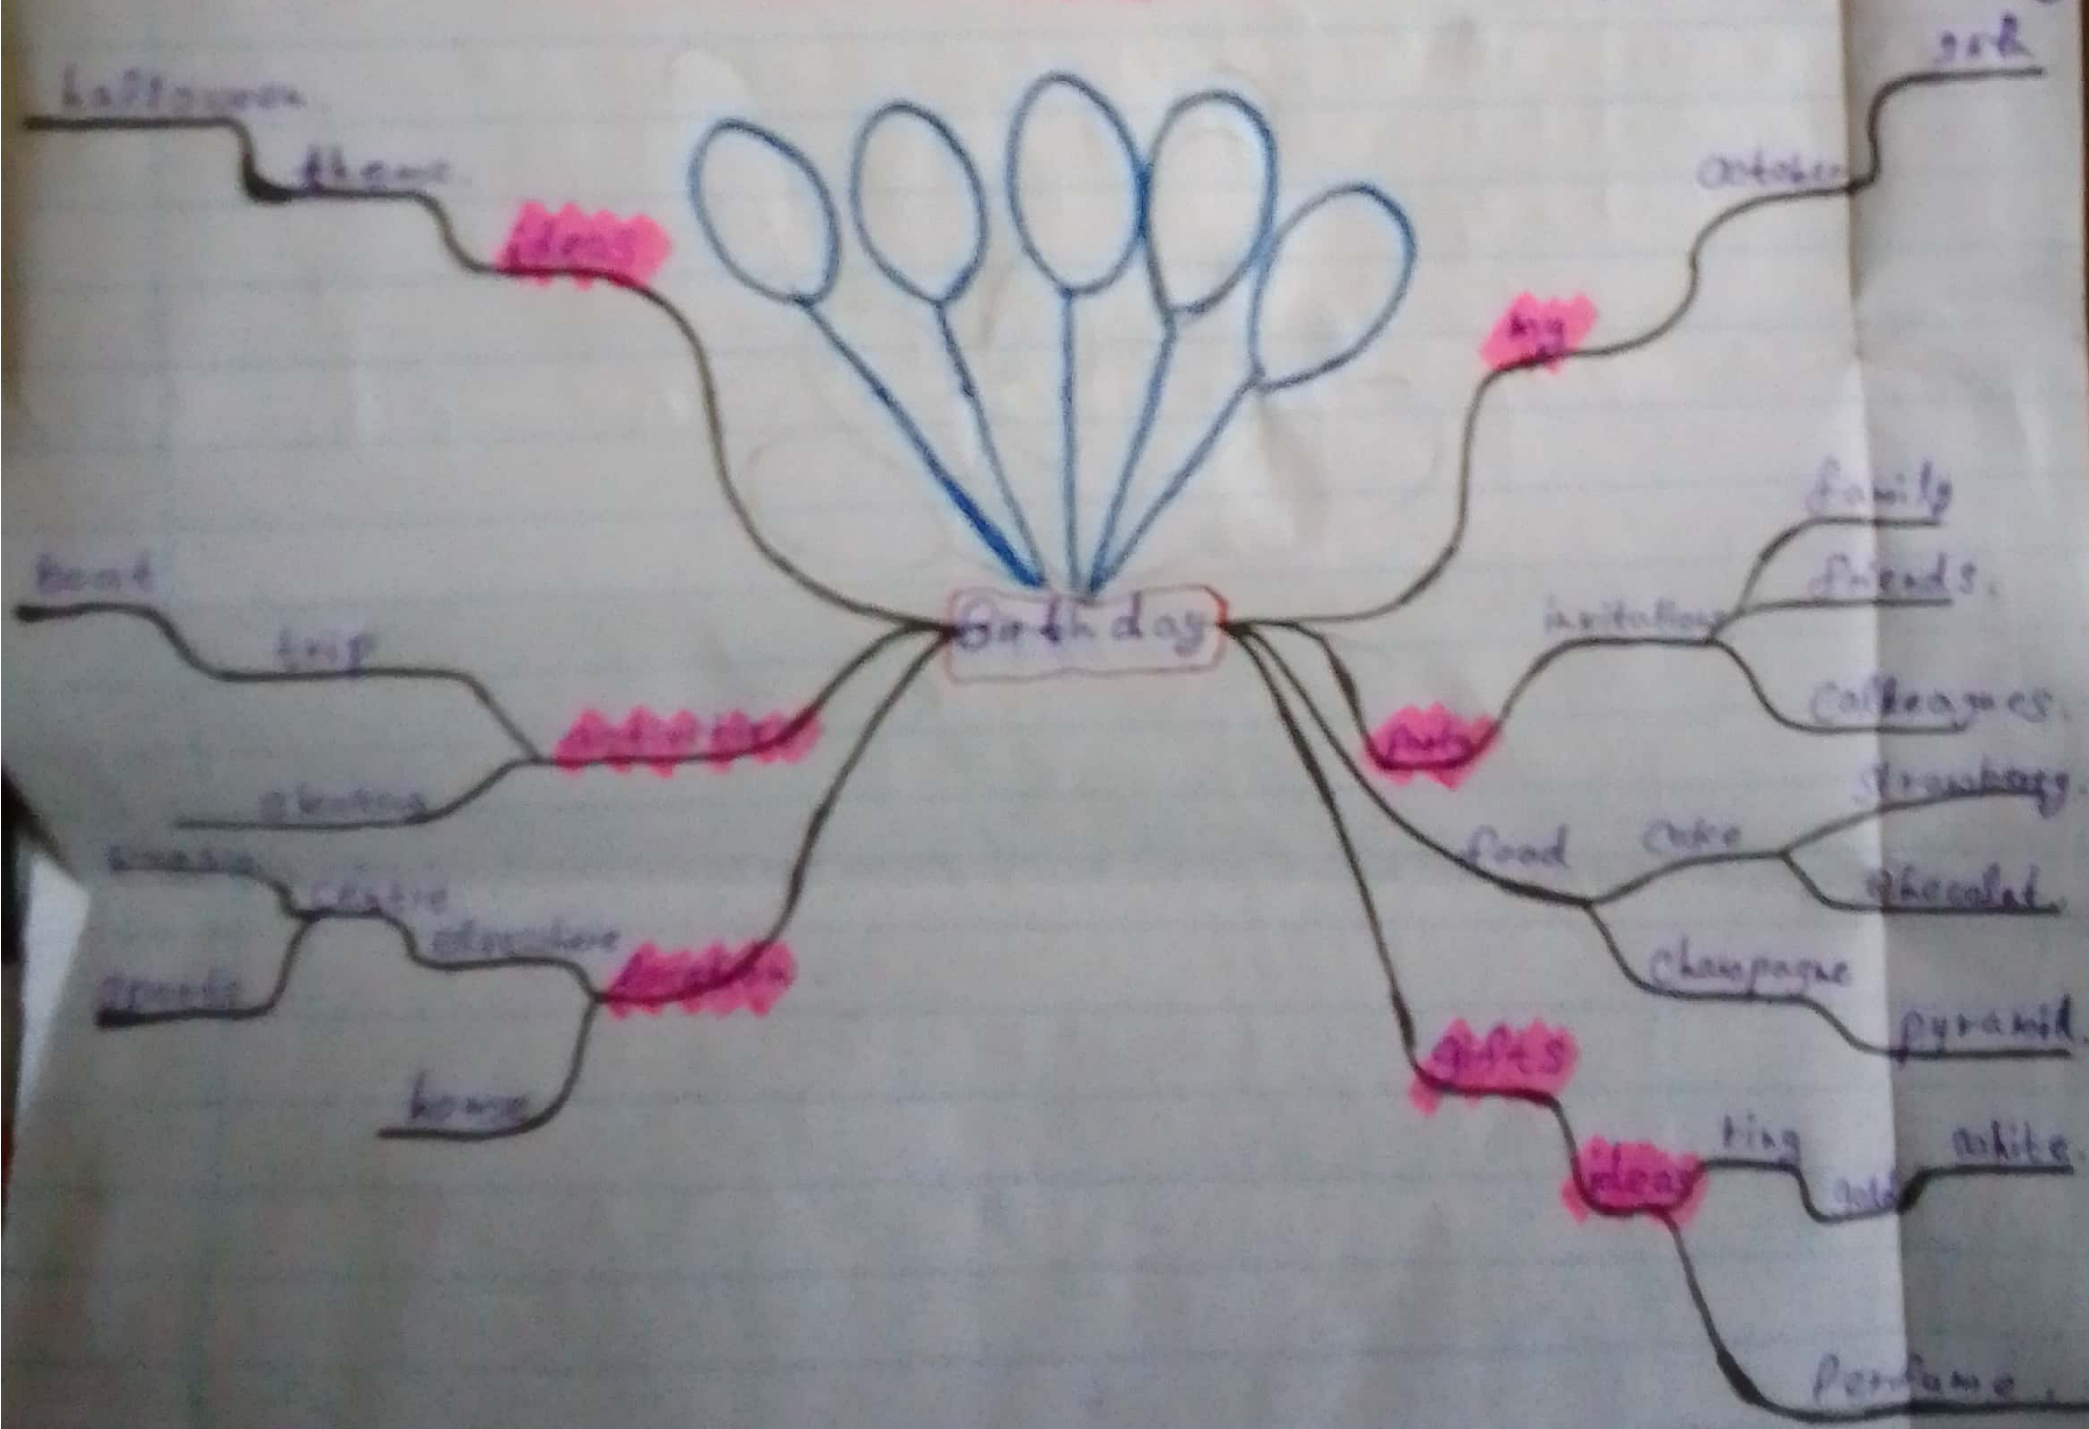

(v) Proximity

- Length of a word = length of a curved line.

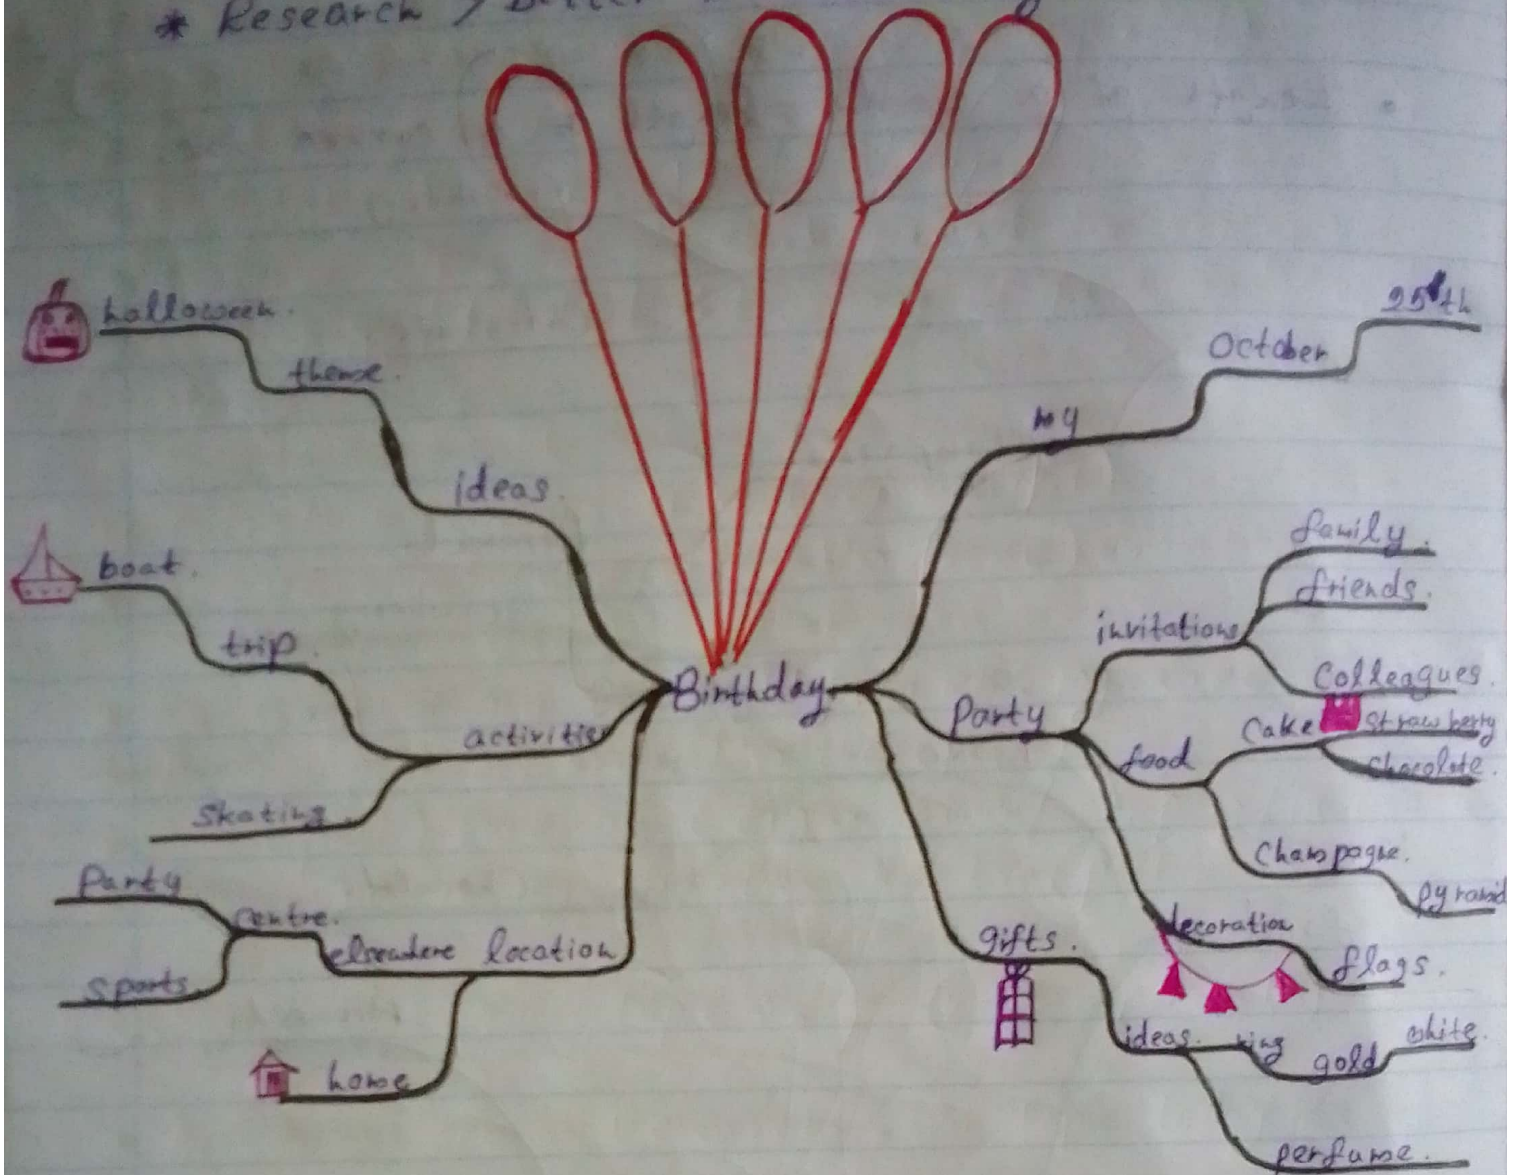

(v) 7 Associations.

Don't write more than 1 paragraph

Tips to Be Covered.

- (01) Outlines.
- (02) Slide Structure.
- (03) Using Pictures, Audio and Video.
- (04) Fonts.
- (05) Colour.
- (06) Background.
- (07) Graphs.
- (08) Spelling and Grammar.
- (09) Conclusion.
- (10) Questions.

Title
Content.

Conclusion.
Q & A.
Thank you.

① Outlines.

- Make your 1st or 2nd Slide an Outline of your presentation.

e.g. ÷ Previous slide.

- Follow the order for the rest of the presentation.
- Only place the main points.
e.g. ÷ Titles of each slide.

② Simple Slide Structure.

- Use 1-2 Slides per minute of your presentation.
- Write in point form, not complete sentences.
* Use bulleted lists.
- Include 4-5 points per slide.
- Avoid wordiness.
* Use key words and phrases only.

Transitions

- * A simple "Wipe left-to-Right" is enough.
- * Listeners will get bored.
- * Better not to use more than two-three different types of transition

Animations

- * Don't use complex animations.
- * A simple one like "Fly In", "Float In" is enough.
- * "Spin", "Bounce In" will distract the attention of audience.

③ Using Pictures, Audio & Video.

Using Pictures.

- * Don't use more than two pictures per slide.
- * Don't use random images.

Using Audio and Video Clips.

- * We can add video clips and Audio clips to your presentation.
- * And also, we can play the Audio or Video clips if you can do about one hour a presentation. About 10 minutes
- * Other wise, we can play the Audio or video clips in the presentation if you can do about 5 minute of presentation. about 1 sec.

④ Fonts.

- * Use at least an 18 point font.
- * Use different size fonts for main points and secondary points.

Ex:- The title:

- The subtitle.
- Main points
- Examples.

- * Use a standard font like Times New Roman or Arial.

05 Colour.

- * Use a color of font that contrasts sharply with the background.

Ex: blue font on white background. Blue font.

- * Use color to reinforce the logic of your structure.

Ex: light blue title and dark blue text.

Ex: The title.

The text.

- * Use color to emphasize a point.

- But only use this occasionally.

06 Background.

- * Use backgrounds that are attractive but simple.

- * Use backgrounds which are light.

- * Use ^{the} same background consistently throughout your presentation.

07 Graphs.

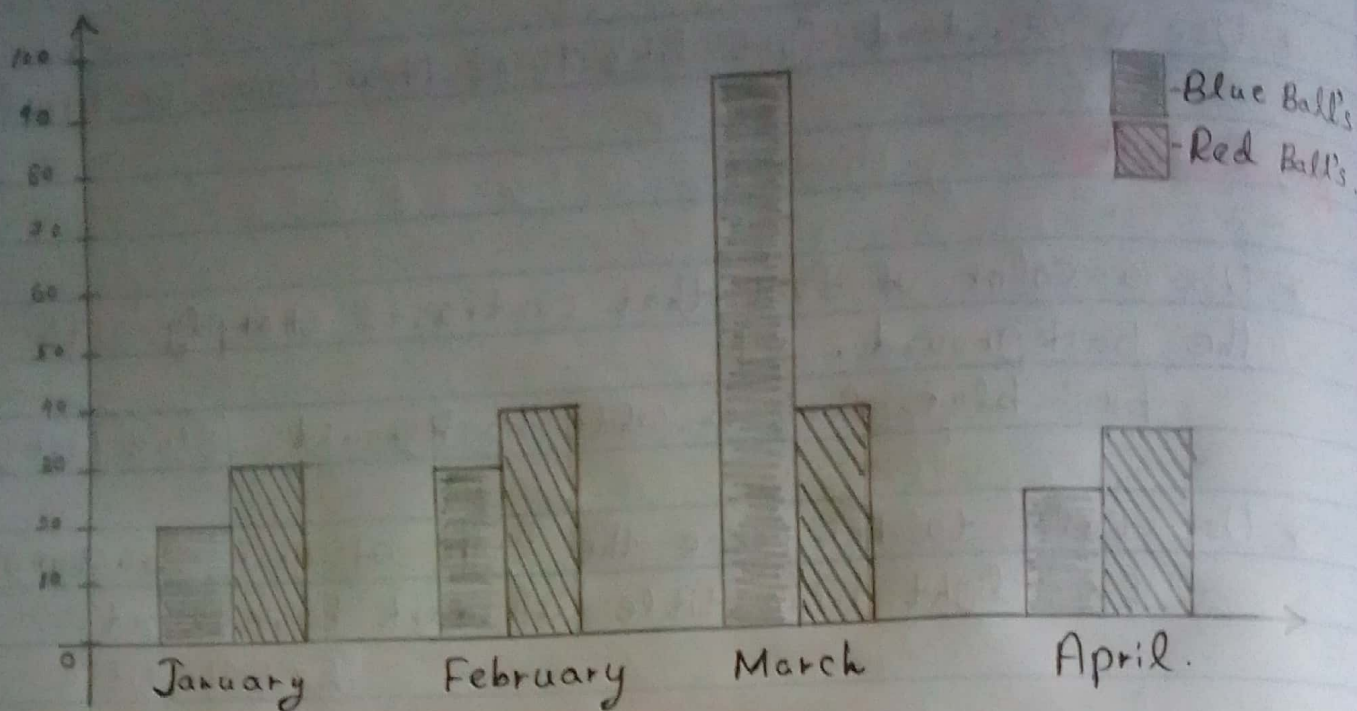

- * Use graphs rather than just charts and words.

- Data in graphs is easier to comprehend & retain than raw data.

- Trends are easier to visualize in graph form.

- * Always title your graphs.

Items Sold in First Quarter of 2009

08 Spelling And Grammar.

* Proof your slides for:

- spelling mistakes.
- mistakes in mechanics.
- the use of repeated words.
- grammatical errors you might have made.

* If English is not your first language, please have someone else check your presentation!

09 Conclusion.

* Use an effective and strong closing:

- Your audience is likely to remember your last words.

* Use a conclusion slide to:

- Summarize the main points of your presentation.
- Suggest future avenues of research.

⑩ Any Questions?

⑪ Reference.

⑫ Thank you.

- * Add a "Thank you" Slide at the end of the your presentation.
- * Can add text or a picture.
